The following discloses our information gathering and dissemination practices for this website: anewaesthetics.net. We respect your privacy. Any information we collect from you, including your email address, will simply be used to send you the information you have requested. We will not give or sell your personal information to any unaffiliated third party. If you give us your email and permission to send more information, you may opt out of receiving any additional email messages at any time, by unsubscribing from our email list.

Information Gathering

We use your IP address to help diagnose problems with our server and to administer our website by (1) identifying which parts of our site are most heavily used (2) to tailor site content to user needs and (3) to generate aggregate statistical reports. We do not link IP addresses to anything personally identifiable. This means that user sessions will be tracked, but the users will remain anonymous.

You need not provide Anew Aesthetics & Wellness with personally identifying information (e.g., name, telephone number, email address, city and/or state of residence) as a condition of using our site. However, your failure to provide certain personally identifying information when asked will prevent certain features of the website from functioning or will prevent us from effectively responding to certain requests. The website will collect only that personally identifying information that you affirmatively provide in response to a direct request.

We use a tool called "Google Analytics" to collect information about use of this site. Google Analytics collects information such as how often users visit this site, what pages they visit when they do so, and what other sites they used prior to coming to this site. We use the information we get from Google Analytics only to improve our website. Google Analytics collects only the IP address assigned to your browser on the date of your visit, instead of your name or other identifying information. We do not combine the information collected through the use of Google Analytics with any personally identifiable information. Although Google Analytics plants a "cookie" on your web browser to identify you as a unique user the cookie cannot be used by anyone but Google. Google's ability to use and share information collected by Google Analytics about your visits to this site is restricted by the Google Analytics Terms of Use and the Google Privacy Policy. You can prevent Google Analytics from recognizing your return visits to this site by disabling cookies on your browser. Please refer to your browser settings for additional information on disabling cookies or visit Google Analytics' currently available opt-outs for the web.
